

# THE DO-IT-YOURSELF MITRE HAT

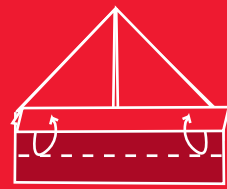

1. Fold paper in half so that edges meet at bottom.

2. Fold top corners in so they meet in center.

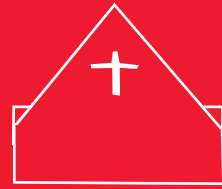

3. Take one sheet from bottom and fold up 1/3 of the way leaving the bottom sheet untouched.

4. Fold up the remaining 1/3 so that rim of hat is flush with folded down corners.

5. Flip it over on the other side.

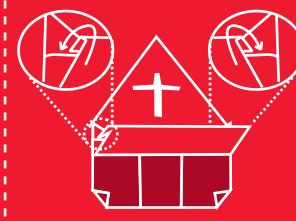

6. Lay it flat on a surface. It should look like this

7. Fold left and right sides inwards so that edges meet.

8. Fold corners upwards "dog-eared" style.

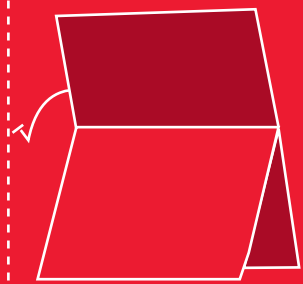

9. Fold bottom sheet upward then back down to tuck "dog-eared" side completely into the rim.

9. Your hat should look like this with an opening at the bottom.
